OR

### **INTEREST FREE AND EQUAL MONTHLY PAYMENTS REQUIRED UNTIL PAID IN FULL (No Interest)**

An equal monthly payment amount will be required based on repayment over the term (number of months) of the promotional period.

OR

### **REDUCED INTEREST RATE AND FIXED MONTHLY PAYMENTS REQUIRED UNTIL PAID IN FULL (Reduced Interest)**

What is a Revolving Credit Card? A credit card with a designated credit limit that can be used over and over to make purchases at any location where the card is accepted. What are credit promotions: (aka "special promotional financing")? There are numerous types of special promotional financing offers that may apply to specific transactions. Not all of these types are available at every merchant who accepts the card, or for all purchases within a merchant location. Please refer to the advertising or offer disclosures provided to you at the point of sale for further information about special promotional financing offer(s) that may be available for a particular purchase. The terms of your credit card account agreement apply to any purchase; however, any different terms for special promotional financing offers will be explained on advertising or other disclosures provided to you.

## How Special Promotional Financing Offers Work

**How We Will Calculate Your Balance:** We use a method called "daily balance". See your credit card account agreement for more details.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your credit card account agreement.

The information about the costs of the card described above is accurate as of April 26, 2016. This information may have changed after that date. To find out what may have changed, write to us at P.O. Box 965033, Orlando, FL 32896-5033. This application and the credit card agreement will be governed by federal law, and to the extent state law applies, the laws of Utah. Subject to the requirements and limitations of applicable law, we may change, add to or delete any of the terms of the agreement, including the interest rates, fees and charges and we will send you notice as required.

## SECTION II: RATES, FEES AND PAYMENT INFORMATION

### How Interest Is Calculated

<b>Your Interest Rate</b>	We use a daily rate to calculate the interest on the balance on your account each day. The daily rate for purchases is the APR times 1/365. The daily rate for purchases is .08216% (APR 29.99%). Interest will be imposed in amounts or at rates not in excess of those permitted by applicable law.
<b>When We Charge Interest</b>	<p>We charge interest on your purchases from the date you make the purchase until you pay the purchase in full. See exceptions below.</p> <ul style="list-style-type: none"><li>• We will not charge you interest during a billing cycle on any non-promotional purchases if:<ol style="list-style-type: none"><li>1. You had no balance at the start of the billing cycle; OR</li><li>2. You had a balance at the start of the billing cycle and you paid that balance in full by the due date in that billing cycle.</li></ol></li></ul> <p>We always charge interest on promotional purchases and their related fees from the date you make the purchase.</p> <ul style="list-style-type: none"><li>• We will credit, as of the start of the billing cycle, any payment you make by the due date that we allocate to non-promotional purchases if:<ol style="list-style-type: none"><li>1. You had no balance at the start of the previous billing cycle; OR</li><li>2. You had a balance at the start of the previous billing cycle and you paid that balance in full by the due date in the previous billing cycle.</li></ol></li></ul>
<b>How We Calculate Interest</b>	<p>We figure the interest charge on your account separately for each balance type. We do this by applying the daily rate to the daily balance for each day in the billing cycle. A separate daily balance is calculated for the following balance types, as applicable: purchases and balances subject to different interest rates, plans or special promotions. See below for more details on how this works.</p> <ol style="list-style-type: none"><li>1. How to get the daily balance. We take the starting balance each day, add any new charges and fees, and subtract any payments or credits. This gives us the daily balance. Debt cancellation fees, if any, and late payment fees are treated as new purchases.</li><li>2. How to get the daily interest amount. We multiply each daily balance by the daily rate that applies.</li><li>3. How to get the starting balance for the next day. We add the daily interest amount in step 2 to the daily balance from step 1.</li><li>4. How to get the interest charge for the billing cycle. We add all the daily interest amounts that were charged during the billing cycle.</li></ol> <p>We charge a minimum of \$2.00 of interest in any billing cycle in which you owe interest. Interest, as calculated above, is added as applicable to each balance type. Minimum interest charges in excess of the calculated interest are treated as new purchases.</p>

### How Fees Work

#### Late Payment Fee

We will charge this fee if we do not receive the total minimum payment due on your account by 5 p.m. (ET) on the due date. This fee is equal to:

1. \$27, if you have paid your total minimum payment due by the due date in each of the prior six billing cycles.  
OR
2. \$37, if you have failed to pay your total minimum payment due by the due date in any one or more of the prior six billing cycles.

The late payment fee will not be more than the total minimum payment that was due.

#### Minimum Payment Calculation

Your total minimum payment is calculated as follows.

The sum of:

- a. For the new balance shown on your billing statement (excluding any balance attributable to a special promotional purchase with a unique payment calculation), the greater of:
  - (i) \$25; or
  - (ii) 3.5% of the new balance shown on your billing statement; or
  - (iii) The sum of 1% of your new balance shown on your billing statement plus interest and late payment fees charged in the current billing cycle; PLUS
- b. Any past due amounts; PLUS
- c. Any payment due in connection with a special promotional purchase with a unique payment calculation.

We round up to the next highest whole dollar in figuring your total minimum payment. Your total minimum payment will never be more than your new balance.

## SECTION III: STANDARD PROVISIONS

These documents replace any other agreement relating to your account that you or we made earlier or at the same time.

**Parties To This Agreement.** This Agreement applies to each accountholder approved on the account and each of you is responsible for paying the full amount due, no matter which one uses the account. We may treat each of you as one accountholder and may refer to each of you as "you" or "your". Synchrony Bank may be referred to as "we", "us" or "our".

**Changes To This Agreement.** We may change, add or delete terms of this Agreement, including interest rates, fees and charges.

**You Promise To Pay.** You promise to pay us for all amounts owed to us under this Agreement.

**Your Responsibility.** Each accountholder will receive a card. You may not allow anyone else to use your account. If you do, or if you ask us to send a card to someone else, you will be responsible for paying for all charges resulting from their transactions.

**Credit Limit.** You will be assigned a credit limit that we may increase or decrease from time to time. If we approve a purchase that makes you go over your credit limit, we do not give up any rights under this Agreement and we do not treat it as an increase in your credit limit.

### HOW AND WHEN TO MAKE PAYMENTS

**When Payments Are Due.** You must pay at least the total minimum payment due on your account by 5 p.m. (ET) on the due date of each billing cycle. Payments received after 5 p.m. (ET) will be credited as of the next day. You may at any time pay, in whole or in part, the total unpaid balance without any additional charge for prepayment. If you have a balance subject to interest, earlier payment may reduce the amount of interest you will pay. We may delay making credit available on your account in the amount of your payment even though we will credit your payment when we receive it.

**Payment Options.** You can pay by mail, online or at certain dealers/merchants/retailers that accept the card and payments. We may allow you to make payments over the phone but we will charge you a fee to make expedited phone payments. Your payment must be made in U.S. dollars by physical or electronic check, money order or a similar instrument from a bank located in the United States.

**How To Make A Payment.** You must follow the instructions for making payments provided on your billing statement. If you do not, credit of your payment may be delayed up to five days. Your billing statement also explains how information on your check is used.

**Payment Allocation.** We will apply the required total minimum payment to balances on your account using any method we choose. Any payment you make in excess of the required total minimum payment will be applied to higher APR balances before lower APR balances. Applicable law may require or permit us to apply excess payments in a different manner in certain situations, such as when your account has a certain type of special promotion.

### INFORMATION ABOUT YOU

**Using and Sharing Your Information.** When you applied for an account, you gave us, dealers/merchants/retailers that accept the card and program sponsors information about yourself that we could share with each other. Dealers/merchants/retailers that accept the card and program sponsors (and their respective affiliates) will use the information in connection with the credit program and for things like creating and updating their records and offering you special benefits. More information about how we use and share information is set forth in the privacy policy for your account.

This consent applies even if you are charged for the call under your plan. You are responsible for any charges that may be billed to you by your communications carrier when we contact you.

**Telephone Monitoring.** For quality control, you allow us to listen to or record telephone calls between you and us.

## YOUR BILLING RIGHTS SUMMARY

*Your Billing Rights: Keep this Document for Future Use*

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

*What To Do If You Find A Mistake On Your Statement*

If you think there is an error on your statement, write to us at:

Synchrony Bank  
PO Box 965035  
Orlando, FL 32896-5035

In your letter, give us the following information:

- *Account information:* Your name and account number.  
*Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.

At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

*What Will Happen After We Receive Your Letter*

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

We cannot try to collect the amount in question, or report you as delinquent on that amount.

The charge in question may remain on your statement, and we may continue to charge you interest on that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

*If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.

*If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

*Your Rights If You Are Dissatisfied With Your Credit Card Purchases*

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

Synchrony Bank  
PO. Box 965035  
Orlando, FL 32896-5035

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
